### PAYMENT METHOD:

Pay a lump sum total by the date selected on the next page for all issues intended to advertise in. This is a one-time payment and does not require multiple transactions. A 10% discount is offered in total for purchase of an up-front contract.

### TERM LENGTH:

A contract with The Lariat consists of four (4) issues. In the event that The Lariat does not publish the number of issues paid for in a school year, your business will receive a refund for the issues paid for that were not printed. If The Lariat publishes more issues than paid for, your business can still receive the same discount and advertisement spot if desired.

### GRAPHICS:

If you have a pre-made graphic, email it at the highest resolution possible in JPG or PDF format to the below email. If you do not have a graphic, The Lariat can provide free graphic design. You must email a request within 24 hours of having paid for the advertisement. In the email should be the information wanted and general appearance of the graphic. A design member will email the potential graphic back to you for your approval.

You agree that an advertisement for your business will be featured in four (4) issues of The Lariat agreed upon by the terms of contract. It is still the business' correspondent's responsibility to contact The Lariat (at [lariateic@gmail.com](mailto:lariateic@gmail.com)) with updated graphics when necessary, or else the most recent version of the advertisement will be published.
